## Engineering Camp for Kids

Entering grades

4th through 6th in Fall 2018

if i  
build it

A large orange triangle graphic with the text 'if i build it' inside. The text is rendered in a grey, technical font with vertical lines extending from the letters, suggesting a blueprint or engineering drawing. The triangle is outlined in orange and has a small orange circle at its bottom-right vertex.

Kids will build a variety of fun, hands-on projects and learn about different career opportunities in engineering by working in class with professional engineers.

July 9-13, 2018 from 8:30am-12:00pm

012 Willard Hall, OSU Stillwater

Registration cost: \$110.00 per participant

Included in cost: Materials, snacks, and camp T-shirt

A showcase will be held at 11:30 am on Friday, July 13th in the Willard Living Room for the students to share projects with their parents.
