Open-Up Resources Mathematics Curriculum Yearlong Professional Development

OSU College of Education, Health and Aviation's Center for Research on STEM Teaching and Learning (CRSTL) in collaboration with the Oklahoma State Department of Education will be providing a year-long (20+ hours) professional development opportunity for schools using the Open-Up Resources Mathematics Curriculum during the 2019-20 academic year.

Dates/Times: August 24, 2019

8:45 am – 4:00 pm

OSU – Stillwater, Willard Hall

Year Long Follow Up: 2019-202 Academic Year:

- Four Virtual 2-hour PD Sessions
- Monthly Virtual PLCs
- Coaching Sessions

*If you cannot attend August 24th, you can still participate in the 2019-2020 yearlong activities. Use the same registration link, and send us an email you will not be attending on the 24th.

Cost: \$100 per teacher for the year

(Note: Cost is actually \$400 per teacher; however, the OSDE is providing a \$300 per teacher partial scholarship to help cover the cost for teachers.)

Who should attend: any **6, 7 and 8 grade teachers** (we encourage vertical teams); (Special Note: the **secondary** curriculum will be available soon and many of the same structures will be in the secondary as in the middle level curriculum); **Special Education** teachers are welcome to attend and we will have a special education teacher share how she has found using this curriculum very effective with her students at the middle school level. She will be attendance and support throughout the project.

Registration:

- To register go to **CRSTL.OKSTATE.EDU**
- Registration is **limited 50 teachers**.
- Registration is on a first come-first serve basis. A wait list will be created.
- Lunch for the day is included in registration.
- A professional development certificate will be provided.
- You may use a school debit/credit card, personal debit/credit card, or a school purchase order when registering. For purchase orders, you will need to choose invoice me and enter your purchase order number. *All purchase orders should be made out to CRSTL-Open-Up Training, 325R Willard, College of Education, Health and Aviation, Stillwater, Ok 74078.*
